## AIR-FLOW SYSTEM

Constructed with air-flow mesh back panels to maximize ventilation and back support.

## DURABLE WATER REPELLENT

A polymer substance applied to the face-fabric that helps to repel water, oil and stains, and dries quicker.

## MOISTURE WICKING

Moisture-wicking fabric pulls sweat away from the skin to keep you dry and comfortable.

## ANTI-MICROBIAL

Anti-microbial material inhibits the growth and reproduction of microorganisms or bacteria.

## NATURAL STRETCH

Stretchable fabric for better articulation and/or gussets to maximize mobility and movement.

## HYDRATION COMPATIBLE

Product with integrated hydration compartment to carry a hydration bladder.

## WATER RESISTANT

Material that resists the penetration of water through the fabric.

## BREATHABLE

A fabric that allows the passage of air and moisture to keep you comfortable.

## CHARCOAL FIBER

Natural charcoal infused fabric absorbs unwanted odors, bacteria, and sweat.

## ANTI-STATIC

Anti-static material inhibits buildup of static electricity

## CONCEALED CARRY

Designed for more discreet or concealed method of carrying firearm.

## LAPTOP COMPATIBLE

Product with built-in compartment for laptops.

## STOWAWAY CHEST RIG

### 201236

The Condor Stowaway Chest Rig is one of our most versatile platforms yet. It can be used as a stand-alone rig or work in conjunction with our VAS line of plate carriers. Its front admin pouch provides ample room to store tools and accessories. A loop panel allows the user to apply patches or other hook backed attachments. A rear hook & loop pocket can be utilized to carry magazines, tools or a radio. Its defining feature is its reversible clam-shell design, which allows the rig to be folded into a compact pouch for easy storage. This gives the user the ability to conveniently store the chest rig or quickly access it when needed.

## TIDEPOOL HYDRATION CARRIER

111030

## DESIGN

The Condor Tidepool's compact size is designed to go on your plate carrier without the over hang on the bottom, eliminating any uncomfortable shifting of your armor and providing a lower profile functional hydration carrier. Perfect for any vehicle driver and operators who prefer a more compact setup.

## FEATURES

- Clam shell design for easy access
- Exterior pocket with zipper closure
- Loop panel for morale or ID patches
- Removable shoulder and sternum straps
- 1.5L (50 oz) bladder Included EXCEPT Multicam color

VINYL ID WINDOW

## DESIGN

The Condor Colossus is our improved take on the traditional soldier duffle bag. By compartmentalizing a traditional duffle, we've made it easier to separate, store, and carry your gear no matter what the situation. The compartments also expand into one another to give you more room for bigger items and decompress to have a greater volume. The Colossus is a versatile bag for any situation.

## FEATURES

- ▷ Large storage compartment with expandable divider
- ▷ Three external zipper side sleeves
- ▷ Hide-away padded backpack straps
- ▷ Reinforced textured PVC bottom
- ▷ Vinyl window
- ▷ Detachable shoulder strap
- ▷ Separated storage space

## DRAW DOWN WAIST PACK (GEN II)

**111196**

The new updated Draw Down Waist Pack is an innovative remake of the old standby. The “fanny pack” has been around for years and its ability to discreetly carry a weapon is undeniable. The Draw Down Waist Pack had been radically re-designed to be used as a covert support pack. With capacity to carry everyday items, as well as tactical items, like a handgun, extra pistol/rifle magazines, and less lethal EDCs.

### FEATURES

- Front zipper pocket with pull out loop panel for ID patch
- Interchangeable belt system
- Can be mounted to plate carrier
- Loop lined main compartment with zipper closure
- Rear zipper pocket for valuable personal items

## THE TACTICAL SHOTGUN RELOAD SYSTEM

**The Shotgun Reload System (TSRS)** allows an operator to carry more ammo than other shotgun shell extension systems. The Tactical Shotgun Reload Platform features a detachable 6-round magazine strip that is the same size as the standard 30-round A.R. magazines, allowing an operator to carry the strips on their tactical vest to increase their ammo capacity. In conjunction with the Reload Platform, The Tactical Shotgun Reload Buttcuff platform allows the operator to mount the buttcuff to most shotgun stocks and making reloads quicker at the operators reach. The shotshell strip is part of the system designed to attach to the buttcuff or modular platform for quicker reloading of your firearm. The TSRS also allows an operator to use the same mag pouches designed for A.R mags and insert additional 6-round magazine strips.

### SHOTSHELL PLATFORM

**US1023**

Condor Outdoor Products Inc. reserves the right to serve or refuse any application.

These Terms and Conditions supersede all previous documented and undocumented terms.

## CONDOR MINIMUM ADVERTISED PRICE POLICY

In order to protect the Condor Outdoor Products brand image and reputation for quality products, Condor Outdoor Products has adopted a Minimum Advertised Price Policy (MAP) for our products. This policy only concerns advertised price and in no way restricts or relates to the actual sale of any item. This policy is applicable to all forms of advertising including catalogs, mailings, consumer expo/shows, internet and any other electronic media. This policy relates equally to all Condor Outdoor Product distributors and dealers. Retailers who advertise a related product for sale below the MAP, shall have all pending orders suspended without further notice. All decisions under this policy will be made and enforced by Condor Outdoor Products unilaterally. No warning or "second chances" will be permitted. This policy may be modified by Condor Outdoor Products from time to time. Condor Outdoor Products does not seek, nor will it accept any agreement or understanding with respect to the prices you may advertise or charge at any time.

## RESALE TO THIRD PARTIES

Retailer agrees not to sell products of Condor Outdoor Products, Inc. to or through any third party websites, including, but not limited to, any on-line auction or online marketplace/store, such as eBay and Amazon. Condor Outdoor Products, Inc. strictly enforces this policy prohibiting resale of products to third parties and will suspend all pending orders from retailers immediately for violation of this policy.

## CONDOR END USER PRODUCT WARRANTY

Condor Outdoor Products Inc. guarantees its products for one year from the original date of purchase. Apparel warranty is for 90 days. This warranty covers the product for the original owner against defects in materials and workmanship. If the product ever fails during the warranty period due to a manufacturing or material defect, then Condor will repair or replace with like product at our discretion. This warranty does not cover damage caused by normal wear and tear, accidents, improper use, sun damage, or the natural breakdown of colors and material over time. Clothing items must be in un-worn, un-washed condition to be eligible for warranty. To make warranty claim, End User must return to the original Authorized Condor Dealer where the item was purchased and submit original sales receipt. Dealer will then contact Condor and follow its procedures.

## ADDITIONAL SERVICES

### OEM INFORMATION

Since 2006 Condor has been collaborating with other companies on custom works and private labeling. Special projects in the past have included off-road gear, movie props, custom Berry Compliant tactical gear, and much more. Please follow the guidelines if you would like us to assist you with your next big project:

- ▷ Production line queue priority is not guaranteed
- ▷ Please prepare a detailed product specification sheet for review
- ▷ **1000 pc minimum** order for smaller items OR **500 pc minimum** for medium to large items
- ▷ Overseas and USA factory production is available
- ▷ or more information on how to create OEM products, please call us at **800-552-2554** or email us at **info@condoroutdoor.com**

### TESTING AND EVALUATION REQUIREMENTS

Here at Condor, we appreciate the feedback and hard-use operatives, warfighters, and enthusiasts put onto our gear. To help us improve our gear further, please submit your application by following the guidelines below:

- ▷ 50% MSRP Deposit is required for all non pre-approved T&E requests, deposit returned upon completion
- ▷ Send requests by email to **info@condoroutdoor.com** or visit our site **www.condoroutdoor.com**
- ▷ Please attach the following:
  - ▷ Resume, cover letter of relevant qualifications
  - ▷ Signed and returned T&E application form

### SPONSORSHIP REQUIREMENTS

For product evaluation, events and team sponsorships. Please follow the guidelines below:

Send requests by email to **social@condoroutdoor.com**

Please attach the following:

- ▷ For individuals and teams: Submit a resume or proposal, event schedule, cover letter with purpose, and ethics
- ▷ For events and media: Submit a proposal, rate card, analytics data, and a list of requested items
- ▷ If your category is not listed, please submit a complete proposal for our review
- ▷ Submitting the materials does not guarantee a sponsorship, all applications take **2-3 weeks** to review
